

Patrick M. Crowley

Biography

Patrick M. Crowley, Professor of economics at Texas A&M University-Corpus Christi, researches international macroeconomics. At Texas A&M University -Corpus Christi, he teaches both undergraduate and graduate courses: principles of macroeconomics, intermediate macroeconomics, international economics, economics of European integration, and a course in money & banking. He specializes in studies of regional integration, with particular emphasis on the European Union, as well as techniques for studying business cycles. He has published widely in high level scholarly journals, and has been the author of several edited volumes for leading book publishers. A native of the UK, Patrick Crowley was born in Leeds, UK, has a bachelor's and Master's degree from the University of Bristol (UK), and has a Ph.D. from McGill University (Montreal, Quebec, Canada). Before getting his Ph.D. he worked in the private sector, both in the City of London and in Toronto, Canada. He has been a frequent research visitor to the Bank of Finland in Helsinki, and has just returned from faculty development leave where he was a Visiting Researcher at the University of Cape Town in South Africa during the spring semester of 2017.
